Re: *USA v. Oliver Jones*  
Case No. 12-CR-189

Dear Judge Randa:

I am writing to request that the conditions of release as to Oliver Jones be modified to allow contact with his brother, co-defendant Steven Jones. The order requiring no contact between Oliver Jones and other co-defendants was set by Judge William Callahan in December, 2012. Oliver Jones has been out of custody for approximately 11 months and has been supervised by US Pretrial Services with no problems reported. Oliver Jones is not requesting modification of the order as to other co-defendants, only his brother, Steven Jones.

I have discussed this request with the government, and they have NO OBJECTION to this modification of the terms of release. Thank you.

Very truly yours,
